**Joint Motion To Continue Hearing
Scheduled For April 13, 2005**

Plaintiff Albert W. Bleau, Jr., and defendants Greater Lynn Mental Health and Retardation Association, Inc., Eastern Massachusetts Housing Corporation, Roderick MacLeish, Robert Sherman, and Robert Griffin jointly move that the Court continue the hearing scheduled for April 13, 2005, to a convenient date, as the Court's schedule may permit, during the following month of May. As grounds therefore the parties state that, between March 9 and March 23, 2005, the plaintiff filed three motions, three oppositions, and several amendments to those oppositions, accompanied by voluminous attachments. The defendants' responses to these motions and oppositions have yet to be filed pursuant to

Local Rule 7.1, either because they are not due or because the parties have so agreed. (See attached Schedule A listing outstanding filings and filing dates.) The Court's consideration of the parties' motions would benefit from a plenary hearing, rather than two or more separate ones, since several of the motions are interrelated and the plaintiff's motion for leave to amend his complaint, were it allowed, would affect the course further proceedings substantially.

WHEREFORE, the parties request that the Court grant their motion for a continuance and set a convenient date in May, as the Court's schedule permits, for a hearing on all of the parties' pending motions.
